

# SOUTHPORT PARK ASSOCIATION

## *Terms of Use - Kenosha Bike Valet*

- Patrons must receive a wristband to have their bikes and/or accessories parked by Kenosha Bike Valet volunteers.
- If an email address is written on the sign-in sheet, by way of entry into the bike valet, Southport Park Association and Kenosha Bike Valet have the right to send information to this address about the organization and/or its programs. Upon receiving this email, any user may opt out of any future correspondence. Southport Park and/or Kenosha Bike Valet will never provide your information to a third-party.
- Only Kenosha Bike Valet volunteers are allowed in the bike corral area.
- Locks are not part of Kenosha Bike Valet's system; the corral is enclosed and secure.
- We're fully insured while the valet is in operation; however, accessories are left at the owner's' risk.
- A valid Kenosha Bike Valet wristband must be presented to access a parked bike, or any of its accessories during and after the market.
- Bikes must be picked up within 30 minutes of the markets completion or otherwise posted latest pick up time.
- After this time, remaining bikes are left at the owner's risk. To arrange pickup, please **text message** Jen Conrad-Volunteer Coordinator, at 262-287-4846.
